

Pennsylvania ACT 48 & ACT 45 Approved Provider

Leading provider of research-based professional development programs for K-12 education

Why PCG for your Act 48 or Act 45 Credits?

PCG Education's impactful online courses and collaboration platform provide teachers and school leaders access to high-quality content and engaging learning experiences. Educators learn directly from leading education experts and authors with support from virtual coaches.

As an Act 48 & Act 45 provider we offer:

- **Act 48 Hours:** Over 60 approved courses that offer 30-45 Act 48 Credits
- **Act 45 Hour:** 3 courses currently approved for Act 45 credits with more coming soon
- **In-depth content:** Access high-quality videos of authentic classroom practices to support student achievement
- **Expert perspectives:** Hear directly from leading education experts such as Joellen Killion, Jon Saphier, Glenn Singleton, Charlotte Danielson, Richard DuFour, Gary Howard, Robert Marzano, and others in documentary-style interviews
- **Targeted instruction and activities:** Learner engagement through reflection questions, checks for understanding, toolkits and other resources to enhance the implementation of newly acquired strategies to transform application into practice for better results

- **Peer collaboration:** Hear perspectives from other teachers and school leaders on how the courses have helped in their classrooms
- **High-quality support:** Get paired with actively engaged online coaches who provide one-on-one support and personalized feedback. Each coach brings with them an extensive background in classroom teaching as well as supporting adult learners
- **Convenience and Flexibility:** Each course is offered through an easy online and immersive virtual environment, giving you the option to complete it independently at anytime, anywhere, and at your own pace. Additionally, educators have access to course resources and material for one year
- **PERMS Reporting:** Upon successful completion, PCG will report your completed hours directly to the state

The KDS courses from PCG provide an option for my teachers and leadership team to access PD without leaving our school. The online format is convenient, and the online coaches and course materials keep the learning engaging. It gives my staff access to hear from industry leaders and directors such as the DuFours on PLCs, etc.
